

# Experience Scenic 4 day—3 night Journey to Montana *Grace in the Rockies*

## Mon-Thurs Sept. 17-20, 2018

You are invited to experience and learn about **Grace in the Rockies** found in Spokane, Butte, Missoula and Flathead Valley area. On the first leg of your journey, meet Seminarian Joseph Tapia-Beeman who will guide you through the dual collaborative campuses of Bishop White Seminary and Gonzaga University.

In Butte you will hear the amazing story of 6 years building the immense statue modeled after "Our Lady of Grace" by LeRoy Lee and countless volunteers. It is almost as large as Lady Liberty which required it to be lifted in pieces by National Guard Helicopter in December 1985 to the ridge. During and since many graces have blessed the community and visitors alike. Just ask **Susanna**

**Dolejsi (206-938-4461) SusannaDolejsi@yahoo.com** about her 2017 pilgrimage there or visit <http://www.ourladyoftherockies.net>

Did you know the Native tribes from Flathead Lake area traveled across the continent to ask for the black robes to come and tell them about Our Savior? Jesuits responded and started many missions which stand today. Brother Joseph Carignano, a self taught painter, masterfully tells stories of the Gospels and Saints on walls and ceilings. He was laid to rest at Mt St. Michael Jesuit cemetery in Spokane near the first novitiate. **Come fellowship, pray and learn more together about our Catholic Faith in the Rockies.**
